## Sussex County Eligible for Emergency Loans

Due to Secretarial disaster designations in various New Jersey counties; Kent, New Castle, and **Sussex** Counties in Delaware have been declared contiguous disaster counties. This action is based on losses caused by excessive rain, flash flooding, high winds, and lightning that occurred between May 28, 2015 and July 15, 2015; and excessive heat and drought that occurred between July 16, 2015 and September 29, 2015. Under this designation, affected producers with operations in any primary or contiguous county are eligible to apply for low interest emergency loans.

Producers have eight months from the date of the declaration to

## County Committee Election Results

County committee elections are over, the ballots are counted and the results are in...

Clayton J Vincent was elected to represent LAA 3.

Elected county committee members serve a three-year term and are responsible for making decisions on FSA disaster, conservation, commodity, and price support programs, as well as other important federal farm program issues.

County committee members are a valuable asset because they are comprised of local producers who participate in FSA programs themselves and have a direct connection to farmers and ranchers in the community. All recently elected county committee members and alternates will take office on January 1, 2016, and join the existing committee.

For more information about county committees and the election process, please contact your local FSA Office or visit [www.fsa.usda.gov](http://www.fsa.usda.gov).
