County Executive Director:
Travis Murray

Program Technicians:
Benita Meekhof
Patty Salasky
Angie Case

Farm Loan Manager:
Larry Cleary

County Committee Meeting

August 14th, 2013 9:30 a.m.

DCP Deadline Approaches

The sign-up period for DCP is still open. Producers are encouraged to sign up for DCP before the Aug. 2, 2013, deadline.

[Read more about DCP and ACRE](#) or contact the FSA county office for more information, or an appointment to enroll.

Sodbusting

Farmers and ranchers should be aware that if they use highly erodible land for crop production without proper conservation measures, they risk losing eligibility to participate in Farm Service Agency programs.

Before producers clear, plow or otherwise prepare areas not presently under crop production for planting, they are required to file an AD-1026, indicating the area to be brought into production.

If Natural Resources Conservation Service indicates that the area will be highly erodible land, the producer will be required to develop and implement a conservation plan on the affected acreage before bringing land into production.

USDA EXTENDS ACREAGE REPORTING DEADLINE FOR FSA TO AUG. 2, 2013

Farmers and landowners have an additional 18 calendar days to submit their annual report of acreage to their local FSA county office with the deadline extended from Monday, July 15, 2013, to Friday, Aug. 2, 2013. Only the FSA reporting deadline has been extended. The acreage reporting requirement for crop insurance has not changed and remains July 15.

Accurate acreage reports are necessary to determine and maintain eligibility for various programs, such as the Direct and Counter-cyclical Program (DCP); the Average Crop Revenue Election Program (ACRE); the Conservation Reserve Program (CRP); and the Non-insured Crop Disaster Assistant Program (NAP).

Acreage reports for FSA are considered timely this year when filed at the county office by the new applicable final crop reporting deadline of Aug. 2, 2013. Producers should contact their county FSA office if they are uncertain about reporting deadlines.

County Committee Nominations

The election of agricultural producers to Farm Service Agency (FSA) county committees is important to ALL farmers and ranchers. It is crucial that every eligible producer participate in these elections because FSA county committees are a link between the agricultural community and the U.S. Department of Agriculture (USDA).

County committee members are a critical component of the operations of FSA. They help deliver FSA farm programs at the local level. Farmers and ranchers who serve on county committees help with the decisions necessary to administer the programs in their counties. They work to ensure FSA agricultural programs serve the needs of local producers.

FSA county committees operate within official regulations designed to carry out federal laws. County committee members apply their judgment and knowledge to make local decisions.

The COC nomination period runs from June 17, 2013 through Aug. 1, 2013. For more information contact your local FSA office.

Direct and Guaranteed Loans

The Farm Service Agency is committed to providing family farmers with loans to meet their farm credit needs. If you are having trouble getting the credit you need for your farm, or regularly borrow from FSA, direct and guaranteed loans are currently available.

Ask your lender about an FSA loan guarantee if you've had a setback and your lender is reluctant to extend or renew your loan.

Guaranteed loans have a maximum limit of \$1,302,000. This makes the maximum combination of direct and guaranteed loan indebtedness \$1,602,000.

Beginning and Limited Resource Loans

FSA has a program to assist beginning farmers and or members of socially disadvantaged groups to finance agricultural enterprises. Under these designated farm loan programs, FSA can provide financing to eligible applicants through either direct or guaranteed loans. FSA defines a beginning farmer as a person who:

- * Has operated a farm for not more than 10 years
- * Will materially and substantially participate in the operation of the farm
- * Agrees to participate in a loan assessment, borrower training and financial management program sponsored by

FSA

* Does not own a farm in excess of 30 percent of the county's median size.

Each member of an entity must meet the eligibility requirements. Loan approval is not guaranteed.

Additional program information, loan applications and other materials are available at the local USDA Service Center or visit www.fsa.usda.gov and www.nrcs.usda.gov .

Banking Changes?

If you changed banks and did not notified FSA, your payment could be delayed. Payments are electronically transferred into your bank account, if we are not aware of changes to your account and routing numbers, there could be problems. In order to make timely payments, you need to notify the office if you close your account or if another financial institution purchases your bank. It is important that any changes in a producer's account such as type account, bank mergers, routing number or account numbers, be provided to the county office promptly to avoid possible payment delay.

USDA is an equal opportunity provider and employer. To file a complaint of discrimination, write: USDA, Office of the Assistant Secretary for Civil Rights, Office of Adjudication, 1400 Independence Ave., SW, Washington, DC 20250-9410 or call (866) 632-9992 (Toll-free Customer Service), (800) 877-8339 (Local or Federal relay), (866) 377-8642 (Relay voice users).
