LAST PRINTED NEWSLETTER

The Farm Service Agency is moving toward a paperless operation. FSA's budget allows for this last printed newsletter only. If you wish to receive important program announcements and deadline reminders, enroll in the new GovDelivery system. You will receive newsletters and bulletins via email or text message instead of a hard copy through the mail.

FSA, like many other organizations, is trying to work smarter and be more efficient. Moving to electronic notifications via email will help conserve resources and save taxpayer dollars. County Committee ballots will continue to be mailed to all eligible producers.

You may subscribe to receive electronic updates by going to the USDA GovDelivery sign-up page found at the following web address: <http://www.fsa.usda.gov/subscribe>.

The form on the reverse side of this newsletter informs FSA of your intent to receive newsletters electronically. Complete blocks 1A, 1B, 3, 4, 8A, 8B and 8C. Select "No" in block 4 and return the form to the county office. The selection only applies to newsletters and bulk mail. You will still receive direct mail for your operation and county committee ballots. Staff can assist you with subscribing for electronic newsletters.

2012 DCP/ACRE SIGNUP UNDERWAY

We are currently taking appointments to sign up for 2012 DCP/ACRE program. The deadline to sign up is **June 1, 2012**. Please call the office to set up an appointment.

All producers with a crop share interest on DCP base acres must have a share in direct and counter-cyclical payments. Changes on the farm before or after enrolling in DCP/ACRE must be immediately reported to the local FSA office, examples include ownership changes, producer changes (individuals and entities), and change in crop shares arrangements.

NEW AGI FORMS REQUIRED FOR 2012

FSA and NRCS program participants, including all members of participating entities, must meet certain Adjusted Gross Income (AGI) requirements to qualify for benefits. Starting for the 2012 crop year, a new AGI form has been developed that both reports whether an applicant or member meets the AGI requirements and authorizes the IRS to confirm that information for FSA.

The new form also reflects an additional AGI limitation applicable only to 2012 direct payments. In addition to the \$500,000 average nonfarm AGI and the \$750,000 average farm AGI limitation, a \$1 million average AGI limitation will be applicable for 2012 direct payments.

New this year, most power-of-attorney authorizations will not work for this form. The form will have to be signed by the participant or entity member themselves. IRS will not accept FSA power-of-attorney forms. These new AGI forms are available today from your county office or on the FSA internet site.

CRP GENERAL SIGNUP

The Conservation Reserve Program general signup starts March 12, 2012 and ends April 6, 2012.

CRP signup is a competitive process in which the bids producing the highest environmental benefits per taxpayer dollars spent are accepted into the program.

Offers will be ranked using the Environment Benefits Index. Points will be awarded based on the environmental and habitat benefits of the proposed cover planted. More points are awarded for native vegetation. Existing CRP may need to be replanted to maximize the score. Check your stand before coming into the office. Extra points will be awarded for the most erosive land and bids that include pollinator habitat on 10% of the acreage. Scores can also be improved by reducing the bid by up to 15% below the maximum rate calculated by FSA.

Eligibility is based on several factors. Eligible land must have been planted to an annual crop for at least four years between 2002 and 2007. In addition, the land must be considered highly erodible, be in the state Conservation Priority Area which encompasses portions of central Washington with soils susceptible to wind erosion, or be in an expiring CRP contract in 2012. Contact the FSA office for an appointment or more information about CRP.

SUPPLEMENTAL REVENUE ASSISTANCE FOR 2010 LOSSES

The deadline for producers to submit applications for 2010 crop year Supplemental Revenue Assistance Payments Program (SURE) is June 1, 2012. The application and all required documentation must be on file and signed by close of business on that day.

The SURE program provides benefits for crop losses due to eligible weather related disaster conditions affecting crops grown from 2008 through 2011 crop years. A farmer or rancher is eligible for the program when a disaster designation has been made for their county or when actual production is less than half of the normal established production. Producers who suffer eligible losses must have crop insurance or a Non-insured Crop Disaster Assistance Program policy for all crops of economic significance to be eligible for SURE benefits. Socially disadvantaged, limited resource, or beginning farmers and ranchers are exempt from the insurance linkage requirement.

This form is available electronically.
