Linda Slacum

Linda Slacum is a native of Maryland's Eastern Shore. She began her 31 year USDA career as an FSA Program Assistant in Franklin County, Indiana, where she also was involved in a family farm for many years. Returning to Maryland in the late 1980s, Linda worked first as a Program Assistant in the Queen Anne's County office, then as a COT trainee, and finally as the County's CED from 1991-2007. In 2007, Linda was named the Executive Officer in the Maryland State Office. During her tenure as the EO, Linda served as Acting SED three times including her recent Acting position until this new appointment. In 2010, she received the Administrator's Award in recognition of her work as the Acting SED. She lives with her husband Meyer in Dorchester County and is the proud mother of two grownchildren.
