STRONG AGRICULTURE STRONG AMERICA

Breakout Sessions

The choice is yours! After the keynote address, choose from any of the sessions in the four tracks. Catch a session in one track, then jump to another. Or, focus on one track for the day. Look for signs at the door of each room to find the session that peaks your interest!

ESTATE PLANNING

Take action! Effective estate planning can give you piece of mind. Make sure your wishes are carried out by executing a plan. These presenters will show you how!

ACRONYM ALLEY

These federal and state agencies provide assistance to landowners and others. Find out what each agency can offer you, and what all those government acronyms stand for!

GREEN ACRES

Is Green Acres the place for you? Learn simple solutions to green up your life, like working with native plants, reducing waste, and saving energy. Green living may be the life for you!

EXTENSION

The folks at University of Missouri Extension have knowledge on a variety of topics. Extend your knowledge in these areas.

10:00-10:50 Think it, then Ink it!

Judge Hugh Harvey

Don't just talk about it—do it! Judge Harvey will share tips and tools for successful estate planning for farm families.

Missouri Department of Conservation (MDC)

Scott Voney

Learn about MDC's mission and enjoy a demonstration of their "stream table".

Energy Saving Alternatives

Don Day

Practical solutions that everyone can use around the home including insulation and more!

Opportunities in Marketing

Toni Dunker

Marketing tools & strategies for managing the challenges and opportunities in this volatile economic environment.

11:00-11:50 The Vulture Thing

Judge Hugh Harvey

Minimize family conflicts by having a plan in place.

Missouri Department of Agriculture (MDA)

Emma Benne

MDA offers a variety of programs to assist agricultural producers. Learn what's available to you!

Native Plant Landscaping

Nadia Navarrete-Tindall & Sue Bartelette

Establish your own native plant garden and check out the Lincoln University/Civic Center project!

Farm Safety

Karen Funkenbusch

You're the farm safety trend-setter. Tips and strategies for improving the safety environment at your farm.

12:00-1:15 Lunch with entertainment provided by Dave Para and Cathy Barton

1:15-2:00 Who Gets Grandma's Yellow Pie Plate?

Dr. Cynthia Crawford

What happens to items of high sentimental value? Have a plan!

Farm Service Agency (FSA)

Jared Singer

FSA provides commodity, disaster, and loan assistance to farmers and ranchers. Experience an overview of the agency and what it offers.

Bringing the R to the Farm

Ruth Anne Parrot

Learn ways to recycle and close the loop. Easy steps to have a big impact will be discussed.

Farming the Internet

Mary Sobba

Information—the most valuable asset! Discover many of the best tools and sources for mining cyber information.

2:10-3:00 Farm Estate Planning

Parman Green

Special tools and strategies for creating your farm estate plan.

Natural Resources Conservation Service (NRCS)

Steve Wooden

An overview of federal and state cost-share assistance available for conservation efforts on your farm.

Native Plants for Pollinators

Nadia Navarrete-Tindall

An introduction to native plants including popular varieties for different environments, propagation, and attracting pollinators!

What Rhymes with Funny?

Dr. Cynthia Crawford

Be a trendsetter! "Less stuff, more fun." The science of optimism and incorporating laughter, humor and play in the day.
