

For: State and County Offices

**Removing AD-1026A Report**

Approved by: Deputy Administrator, Farm Programs

**1 Removing Report Option**

**A AD-1026A Report**

The ability to view/print an AD-1026A Report is currently available on the Report Selection Screen in the Farm Records System (FRS). 6-CP has been amended to remove the requirement to use AD-1026A.

**B Producer Farm Data Report**

The ability to view/print a Producer Farm Data Report is also currently available on the Report Selection Screen in FRS. 3-CM provides information on the availability of the Producer Farm Data Report. The Producer Farm Data Report provides the farm numbers, tract numbers, all owner names, farmland, cropland, DCP cropland, CRP cropland, effective DCP cropland, and NAP acres for all counties in which the specific producer has an interest.

**C Purpose**

This notice instructs County Offices that the option to print the AD-1026A Report will be removed from the FRS Report Selection Screen.

**D Action**

County Offices shall use the Producer Farm Data Report in place of the AD-1026A Report starting immediately.
