1 Overview

A Background

Sections 738 and 739 of the Consolidated and Further Continuing Appropriations Act, 2012 (Pub. L. 112-55) and Sections 732 and 733 of the Continuing Appropriations Resolution, 2013 (Pub. L. 112-175) (the Acts) impose new restrictions on financial transactions with corporations. The Acts restrict the use of funds to be used to enter into any contract, MOU, cooperative agreement, grant, loan, or loan guarantee with any corporation that has a felony conviction or tax delinquency. The Continuing Appropriations Act, 2014 (H.R. 2775) signed October 16, 2013, extends the provisions of the Acts to January 15, 2014.

To comply with the provisions of the Acts, AD-3030 was developed to assist USDA in identifying corporate applicants having a felony conviction or tax delinquent status. Since December 2012, County Offices have been requiring corporate applicants to submit AD-3030 for applicable programs. Until new legislation addressing the financial restrictions is passed, the provisions of the Acts remain in effect. As such, County Offices shall continue to require corporate applicants applying for certain FSA programs to complete and submit AD-3030. See Exhibit 1.
