Farm Business Plan Reports Setup Menu for Balance Sheets and Income/Expenses

Approved by: Deputy Administrator, Farm Loan Programs

1 Overview

A Background

Uniformity and standardization is needed for all State and County Offices when populating the balance sheet and income/expense section of the Reports Setup Menu in the Farm Business Plan. The Farm Loan Programs staff needs the capability to pull information on producer operations from State-to-State for data manager and ad-hoc reporting purposes. This capability requires consistency on how the report manager is set up.

B Purpose

This notice provides guidance on the Reports Setup Menu for the following:

- balance sheets
- income/expenses.

C Contact

If there are questions about this notice:

- County Offices shall contact the State Office
- State Offices shall contact Mike Hinton or Orlando Kilcrease at 202-720-1472.

Disposal Date	Distribution
November 1, 2006	State Offices; State Offices relay to County Offices

Notice FLP-401

2 Reports Setup Menu

A Balance Sheets

The first column (column 1) in the Reports Setup Menu will be the current year's balance sheet or the post-close balance sheet, if completed. Enter the balance sheets for the immediate 2 preceding years, in descending order, in columns 2 and 3. SED's shall issue State supplements on how to populate columns 4 through 6.

B Income/Expenses

The first column (column 1) in the Reports Setup Menu will be the current year's income/expense projection, the typical year's income/expense projection, or the after deferral income/expense projection for primary loan servicing actions, as applicable. Enter the balance sheets for the immediate 2 preceding years, in descending order, in columns 2 and 3. SED's shall issue State supplements on how to populate columns 4 through 6.
