Updating Biomass Crop Assistance Program (BCAP) Component Codes

Approved by: Deputy Administrator, Farm Programs

1 Overview

A Background

Notice BCAP-7 provided updated BCAP component codes. Additional materials not included in Notice BCAP-7 component codes are considered eligible materials. Updating existing component code descriptions and adding additional component codes is necessary.

B Purpose

This notice:

- provides updated descriptions and additions to the component codes list
- instructs County Offices to ensure that additional BCAP component codes are loaded into the CRES system.

Disposal Date	Distribution
April 1, 2010	State Offices; State Offices relay to County Offices

Notice BCAP-9

2 Modifications and Additions to the Component Code List

A Modification to Existing Component Codes

The following modifications have been made to existing component codes.

Component Code	Previous Description	New Description
ARHL	Rice hulls	Grain or nut hulls, non-digestible
AWST	Wheat straw	Plant straw
FTSS	Tree and shrub species without timber, lumber, or wood pulp value (including fuelwood)	Tree and shrub species without timber, lumber, or wood pulp value (including fuelwood and types of hog fuel not otherwise included on this list)
NFUL	Fuelwood	Fuelwood (including types of hog fuel not otherwise included on this list)

The following addition has been made to the **agricultural resources** component codes list.

Component Code	Description
